<u>Agency Programs</u> Direct administrative and operational activities, including operating expenses of various programs, are recorded in Agency Programs.

<u>Housing Trust Fund Programs</u> The North Carolina Housing Trust and Oil Overcharge Act created the North Carolina Housing Trust Fund (Housing Trust Fund) and the North Carolina Housing Partnership (Housing Partnership). The purpose of the Housing Trust Fund is to increase the supply of decent, affordable and energy efficient housing for residents of the State with low and moderate incomes. The General Assembly of the State of North Carolina ("General Assembly") has appropriated funds; substantially all of which are to be used to make loans and grants under the Housing Trust Fund Programs. The Agency received State appropriations in the amount of \$3,938,000 for the six months ended December 31, 2011. The Housing Partnership is responsible for developing policy with respect to the operation of programs within the Housing Trust Fund. The Agency provides staff services to the Housing Partnership and administers the Housing Trust Fund Programs.

<u>Federal and State Programs</u> The Agency administers ten federal programs. The Section 8 Lower Income Housing Assistance Payment Program, the HOME Investment Partnership Program, the Low Income Housing Projects in Lieu of Tax Credits Program, the Tax Credit Assistance Program, and the Hardest Hit Fund Program represent 99% of federal program expenditures. The Agency receives a fee for administering Section 8 contracts, Hardest Hit Fund, and HOME Investment Partnership Programs. The HOME Investment Partnership Program is matched with funds appropriated by the General Assembly, the amount of matching funds received during the six months ended December 31, 2011 was \$804,000. The Agency received \$3,948,000 from the North Carolina Commissioner of Banks for the State Home Foreclosure Prevention Project to provide counseling to homeowners who are at risk for foreclosure. Also, \$3,277,000 was received from the North Carolina Department of Health and Human Services to provide rent assistance for extremely low-income persons with disabilities, including the homeless. These monies from the State are reported in the financial statements as non-operating revenues.

<u>Home Ownership Bond Programs</u> The Home Ownership Bond Programs were created through various single family bond resolutions and are restricted as to their use. The proceeds of individual bond issues are used to purchase first mortgage loans on single family residential units or to purchase first or second mortgage loans.

<u>Rental Bond Programs</u> The Rental Bond Programs were created through various multifamily bond resolutions and are restricted as to their use. The proceeds of individual bond issues are used to provide mortgage loans to developers of rental housing projects.
